We provide a variety of outreach services to residents of Pasquotank County.

The Bookmobile extends service to community members who would otherwise have difficulty using the library in traditional ways. The Pasquotank County Library is committed to ensuring that library services are available to everyone.

The bookmobilst visits retirement centers, nursing homes, private homes, private schools, housing authority sites, and day care centers in the community, delivering print and audio-visual materials, and offering book programs and reader's advisory services to hundreds of appreciative residents. Outreach patrons can select from a wide variety of titles in large print format, a rotating collection of new and high demand books, and a large selection of magazines, paperbacks, videos, and audio tape books. Materials are delivered to patrons once a month. The bookmobile has a computer and printer that the public may use.

If you would like to avail yourself of our services please contact [Monek Adams](#) at 252-335-2473 or email her.
